Roadway Reconstruct without Widening

This is a local government project under the direction of Sandy City with UDOT oversight. The project will improve the operation of this important corridor, which runs the length of east Sandy City from Creek Road to the Draper City limits. Special attention has been paid to creating a consistent look throughout the corridor.

[Above, is a simulation of proposed median treatments on 1300 East]

Currently Identified Budget: \$24 million

Legislative Districts:

Senate: 8, 9

House: 45, 48, 49, 51
